### Instruction / Rental Notes

#### Aircraft – N4908G

- 1980 172N with 180hp Lycoming 0360-A4D; Garmin 430W; MX 385Nav/Com with GSI; Garmin audio; Digital AI & DG (AV-30's), STEC 30 with GPSS and Alt-hold

#### Instructors:

- Email [ShafferAviationLLC@gmail.com](mailto:ShafferAviationLLC@gmail.com) for a Pilot Information Form to allow us add you to our insurance. Once you are added will notify you to schedule a check-out.
- Please review the online rental agreement for usage policies and to assist students

#### Students / Users:

- Before renting you must complete a Rental Agreement (available in WebApp, see below) and be approved. Licensed pilots will need to be under the supervision of one of our approved CFIs.

#### WebApp (<http://bit.ly/n4908g>)

- Applications, payments, flight logging, scheduling, and account tracking will be done using our Shaffer Aviation WebApp. You can access the WebApp by going to [g](#) on your phone, iPad, or Computer
- Add the WebApp to your home screen:
  - **On iOS (in Safari)**
    - Tap the logo (the image will expand). Clear the message box
    - Click on the Safari share  icon and choose “Add to Home Screen”
  - **On Android (in Chrome)**
    - Click on the Chrome menu icon (three vertical dots) and choose “Add to Home Screen”

#### WebApp Functions

**Information**—general information and documents, POH, online Rental Agreement form, Online Payment link.

**Trip** – Log the start / end of a trip. Use the notes field to alert us about safety or maintenance concerns.

**Log** -- view most recent usage and notes from other users.

**Account**– displays your monthly total usage, purchased hr balance, and a payment button to make online cc payments.

**Calendar** – Add, view, edit reservations. Email us and we can share the google calendar as well.
